## Integrated Detector Electronics AS – SOFTWARE LICENSE AGREEMENT

Integrated Detector Electronics AS, a limited liability company organized and existing under the laws of the Kingdom of Norway and maintaining its principal place of business at Gjerdrums Vei 19, 0484 Oslo, Norway, ("IDEAS") grants to you ("Licensee") a license to use the Software and/or Firmware and/or Source Code acquired from IDEAS provided under this license agreement ("Agreement"), and related user documentation, subject to the following terms and conditions:

1. **Scope of License.** This license covers the SOFTWARE and/or Source Code, its user documentation, and any related computer programs, documentation and information provided by "IDEAS". Nothing in this Agreement will be deemed to grant Licensee any proprietary rights in the computer program(s) or in any other work embodied in the software or related materials supplied to Licensee by "IDEAS".

### 2. Definitions

For purposes of this Agreement, the following definitions shall apply:

- a) "Software" shall mean the Software product acquired by Licensee from "IDEAS".
- b) "Source Code" shall include firmware and/or source code and any and all information and materials concerning such code acquired by Licensee from "IDEAS".
- c) "Derivative Works" means any software programs which are developed by Licensee and which incorporate or contain modifications of any part of Source Code, and including any revision, modification, translation (including compilation or recapitulation by computer), abridgment, condensation, expansion or any other form in which Source Code, may be recast, transformed or adapted.
- d) "Purpose" means the creation of bug-fixes, corrections, enhancements, revisions, modifications and adaptations of Source Code and addition of new user interfaces, features and functionality to the Software.

### 3. Licensee rights and restrictions

- a) By completing this Agreement and subject to the restrictions and consideration stated below, IDEAS grants Licensee a nonexclusive, nontransferable right to:
  - i. use and reproduce as many copies of the Software and/or Source Code as are reasonably necessary only for the purpose of exercising the rights granted under this Agreement;
  - ii. modify and create Derivative Works of the Source Code for the Purpose;
  - iii. use, reproduce, have reproduced, sell (via sublicense), distribute (via sublicense), perform, or otherwise transfer (via sublicense), directly or through distributors or resellers, Derivative Works, only in object code format, that are consistent with the Purpose and subject to the reporting and audit provisions of the Agreement.
- b) No right is granted to Licensee hereunder to permit, authorize, license or sublicense any third party to view or use the Software and/or Source Code.

- c) No right is granted to Licensee hereunder to sell, distribute, make available, publish or otherwise transfer the Software and/or Source Code except as provided in section 3.a. above without the prior written consent of "IDEAS".
  - d) Licensee shall not use the Software and/or Source Code for anything other than its intended, legitimate, and legal purpose.
  - e) Licensee shall not employ Software and/or Source Code in any way that competes either directly or indirectly with IDEAS including but not limited to creation of Derivative Works that compete either directly or indirectly with Software.
  - f) Licensee shall not use the Software and/or Source Code in any manner not specifically permitted under this Agreement.
  - g) No right is granted under any patents, copyrights, trade secrets, trademarks, or other proprietary rights of "IDEAS", except as expressly granted herein.
  - h) The terms of this Agreement do not entitle Licensee to receive any support or maintenance services from IDEAS with respect to the Software and/or Source Code.
4. **Term and Termination.** This license will become effective on the date Licensee acquires the Software and will remain in force until terminated. Licensee may terminate the license at any time by removing the Software and/or Source Code from Licensee's computer and destroying the original Software and related user documentation and all copies thereof. This license will automatically terminate if Licensee breaches any of the terms or conditions set out in this License Agreement.
5. **Effect of Termination.** Immediately upon termination, Licensee will destroy or return to IDEAS all copies of all or any part of the Software, Source Code and related user documentation in Licensee's possession or under Licensee's control. Licensee will have no right to keep or use any copy of the Software and related user documentation for any purpose after termination of this Agreement.
6. **Installation.** The Software is not a stand-alone application and may require license(s) for third-party software for its successful deployment, operation, and maintenance. The Licensee is solely responsible for acquiring such third-party software licenses (if any) and any claims for license fees related hereto.
7. **Third Party Modules.** The Software and/or Source Code may be distributed with certain third-party software modules. Information about these modules can be found at the manufacturer's website.
8. **Confidentiality.** The Licensee undertakes to take all reasonable steps to ensure that any know-how, software programs, source code and IDEAS technology, concepts and methods and other sensitive information ("Confidential Information") to which Licensee gains possession or knowledge of in connection with this Agreement, is not disclosed to others, in whole or in part, without the prior written permission of "IDEAS".  
Neither party will have the obligation to maintain the confidentiality of any data or information which (i) was in the receiving party's lawful possession prior to receipt from the other party, (ii) is later lawfully obtained by the receiving party from a third party having no obligation of secrecy to the other party, (iii) is available to the public through no act or failure of the receiving party, (iv) is readily available in the public domain, or (v) is independently developed by the receiving party. The receiving party will immediately return or destroy any or all Confidential Information that has been provided to it by the other party, upon the other party's request.

9. **Refunds.** In the event that IDEAS refunds any amounts paid by Licensee for the Software, pursuant to Paragraph 8 above, Licensee understands and agrees that this Agreement and the Software license are terminated, and IDEAS is entitled to withdraw all Software, code and related documentation provided under this Agreement. Upon receipt of such a refund, Licensee agrees that it, subject to paragraph 5, will no longer use, display, or otherwise control the Software, code or related documentation for which the refund was issued.
10. **DISCLAIMER OF WARRANTY FOR SOFTWARE AND SOURCE CODE.** THE IDEAS SOFTWARE AND SOURCE CODE IS PROVIDED "AS IS", WITH ALL FAULTS AND WITHOUT WARRANTY OF ANY KIND, EXCEPT FOR THE EXPRESS WARRANTIES SET FORTH IN THIS AGREEMENT. IDEAS DISCLAIMS ALL IMPLIED WARRANTIES FOR THE SOFTWARE/SOURCE CODE, INCLUDING WARRANTIES OF MERCHANTABILITY AND FITNESS FOR A PARTICULAR PURPOSE. IDEAS MAKES NO REPRESENTATIONS CONCERNING THE QUALITY OF THE SOFTWARE/SOURCE CODE AND DOES NOT PROMISE THAT THE SOFTWARE/SOURCE CODE WILL BE ERROR FREE OR WILL OPERATE WITHOUT INTERRUPTION.
11. **LIMITATION OF LIABILITY.** IN NO EVENT WILL IDEAS BE LIABLE FOR ANY DIRECT, INDIRECT, INCIDENTAL, SPECIAL, CONSEQUENTIAL OR OTHER DAMAGES ARISING OUT OF THE USE OF THE SOFTWARE/SOURCE CODE BY ANY PERSON, REGARDLESS OF WHETHER IDEAS IS INFORMED OF THE POSSIBILITY OF DAMAGES IN ADVANCE. THESE LIMITATIONS APPLY TO ALL CAUSES OF ACTION, INCLUDING BREACH OF CONTRACT, BREACH OF WARRANTY, IDEAS'S NEGLIGENCE, STRICT LIABILITY, MISREPRESENTATION AND OTHER TORTS. In no event shall "IDEAS"'s total liability for all damages (other than as may be required by applicable law in cases involving personal injury) exceed the amount of fifty dollars (USD 50.00). The foregoing limitations will apply even if the above stated remedy fails in its essential purpose.
12. **Ownership of Software and Source Code.** IDEAS and its licensors have and will retain all ownership rights in the Software, including all patent rights, copyrights, trade secrets, trademarks, service marks, related goodwill, and confidential and proprietary information. Licensee will have no rights in the Software except as explicitly stated in this Agreement.

13. **Controlling Law and Severability.** This License will be governed by and construed in accordance with the laws of the Kingdom of Norway, as applied to agreements entered and to be performed entirely within Norway between Norwegian residents. This License shall not be governed by the United Nations Convention on Contracts for the International Sale of Goods, the application of which is expressly excluded. If for any reason a court of competent jurisdiction finds any provision, or portion thereof, to be unenforceable, the remainder of this License shall continue in full force and effect.
14. **Assignment and Delegation.** The licensee may not assign this Agreement or any rights under it and may not delegate any duties under this Agreement without IDEAS's prior written consent. Any attempt to assign or delegate without that consent will be void.
15. **Survivability.** For the sake of clarity, it is hereby expressly agreed that the regulations in paragraph 8 above shall not terminate upon the termination of the Agreement, but these terms and conditions shall be binding upon Licensee and IDEAS following the termination of the Agreement, regardless of the reason for such termination.
16. **General.** This Agreement constitutes the entire understanding between IDEAS and Licensee with respect to subject matter hereof. Any change to this Agreement must be in writing, signed by IDEAS and Licensee. Terms and conditions set forth in any purchase order which differ from, conflict with, or are not included in this Agreement, shall not become part of this Agreement unless specifically accepted by IDEAS in writing. Licensee shall be responsible for and shall pay, and shall reimburse IDEAS on request if IDEAS is required to pay, any sales, use, value added (VAT), consumption or other tax (excluding any tax that is based on IDEAS's net income), assessment, duty, tariff, or other fee or charge of any kind or nature that is levied or imposed by any governmental authority on the Software.
17. **Choice of Law and Forum.** This Agreement, its interpretation, performance, or any breach thereof, will be construed in accordance with, and all questions with respect thereto will be determined by, the laws of the Kingdom of Norway. Both parties hereby irrevocably submit any disputes under this Agreement to the jurisdiction of the courts of the Kingdom of Norway. Any suit shall be brought before the courts of Oslo, Norway.

LICENSEE HAS READ THIS AGREEMENT AND UNDERSTANDS AND AGREES TO ALL OF ITS TERMS AND CONDITIONS.
